

# Calling All Kindergarten Students In Community Consolidated School District 89

Parents of children who will be five years of age on or before September 1, 2009 are requested to contact their child's school now for spring registration.

Information regarding each school's welcome/orientation session will be shared. Packets of registration materials will be mailed to you for completion following your contact. Please know that an official birth certificate, a physical examination with documentation of immunizations, and a vision exam are required for enrollment in kindergarten. A dental exam will be required by May 15, 2010.

If you have questions regarding which school your child will attend, please call our district office at (630) 469-8900. We look forward to hearing from you soon!
