GLEN ELLYN-Residents and other stakeholders from Community Consolidated School District 89 are invited to attend a February 8th meeting where the 2009 Annual Report will be explained in detail and the educational benefits of Smartboard Interactive Whiteboard technology will be demonstrated.

The meeting will be a combined meeting of the District's Citizens' Advisory Council (CAC) and Community Finance Committee (CFC), and it is also open to all other residents and stakeholders. The meeting is scheduled for 7:00 P.M. and will be held in the Library Media Center at Glen Crest Middle School, 725 Sheehan Avenue, Glen Ellyn.

"We want to communicate our District's success in the classroom and outline our recent efforts at being wise stewards of community resources," said Superintendent Dr. John S. Perdue. "In addition, newly-available financial data will be shared and a staff member will demonstrate how Smartboard technology has taken teaching and learning to a new level in her classroom."

A question and answer period will be included on the evening's agenda.
