

Meeting Overview

- Introductions of new members
- Review of previous meetings
 - Finance Committee began work in January
 - Running deficit budget, cannot continue to operate this way
 - March presentation to Board
 - Two options: increase revenue or decrease expenses
 - No reductions in programming for 2018-2019 school year
 - Community Engagement Committee formed – engage community (especially non-parent), what community values in our district

Preview of PPT for June 5th Community Engagement

- Critical meeting; public will not support what they don't understand
 - Informational in nature; learn about what District has done
- Went through each PPT slide and talking points; discussed possible changes
- Value of education; money in classroom (value add whether students in district or not)
- Deficit for foreseeable future; how schools are financed
- Reductions in 2011 allowed district to push-out deficits (not fix problem)
