

Enrollment Committee 2016-17

Purpose of committee

The enrollment committee is an advisory group. The committee will evaluate enrollment trends and review facility capacity to determine the best solutions aligned to the District's mission and vision and what is best for children.

Intended outcomes

- The committee will review the enrollment study presented to the Board in February 2009.
- The committee will evaluate current enrollment trends and updated enrollment projections and identify areas that have increases and decreases.
- The committee will evaluate current facility capacity and long-term impact of projected enrollments.
- The committee will evaluate the administrative transfer policy and determine if edits are necessary.
- The committee will identify recommend solutions for enrollment capped areas that are aligned to best practice.
- The committee will consult with enrollment experts for collection and evaluation of data.
- The committee will provide recommendations to the Board that are student focused and maximize facility usage.
