2. Describe priorities for what learning will look like in CCSD 89 in future years.
3. Determine strategies necessary to implement the ideal learning environment for CCSD 89 students.

District 89 Core Values

- A partnership with home, school and community is important for all students to learn, grow and develop to their full potential.
- It is essential to hold high expectations for all students.
- Members of our learning community must treat one another respectfully and work collaboratively to achieve our mission and vision.
- Data-driven decisions and high levels of satisfaction are essential for continuous improvement.
- Students, families and staff must collaborate to guide students toward responsibility and accountability for their growth and learning.
- 21st century learning and the integration of technology enables and enriches skills essential for future readiness.
- Alignment and efficient use of resources (people, time, space, and money) enhances learning and supports improvement goals.

Discuss at your table the core values. Share your thoughts, are all values equally important?

Future Learning for Success

Critical Strategies for Action

- 1 • We will implement with fidelity shared units of instruction aligned to Common Core or other state learning standards.
- 2 • We will increase rigor and challenge for all students to meet the needs of every student and close achievement gaps.
- 3 • We will set goals with clear measures and targets and use data to monitor and report progress: student, classroom, team/department, school and district.
- 4 • We will explore new ways of using time to create optimal learning and teaching opportunities that provide staff with time to collaborate and students with time to ensure growth and mastery of grade level learning outcomes.
- 5 • We will continue to study appropriate and effective ways of using technology that leads to enhanced learning and teaching and prepares our students for digital citizenship.
- 6 • We will address the impact of available financial resources on the quality of programs and services offered in CCSD 89 in an effort to keep our district a premier school district.
- 7 • We will improve social emotional learning in an effort to promote good self-concept and social awareness.
- 8 • We will communicate and collaborate with families and the greater learning community to establish trust, respect and pride in the district's performance.
