

MESSAGE FROM THE SUPERINTENDENT

Welcome to Community Consolidated School District 89!

As superintendent, I am honored to support and partner with our dedicated students, staff, and parents. Building strong relationships throughout our educational community is critical to our students' academic and social-emotional growth.

In Community Consolidated School District 89, our staff members have high expectations for students while also ensuring there are supports in place to help all learners. All kids will be cared for, all kids will be kept safe, and every child will be able to take risks to grow and learn so they can be what they want to be in this world.

We look forward to partnering with you! Thank you for all you do to support our students and their schools.
