DISCUSSION ITEMS

Curriculum report. (*BOE Goal: Continuous improvement, improved student learning and collaborative and inclusive culture*). An update of mid-year progress was given on academic and social emotional learning and professional learning to support growth. Measure of Academic Progress (MAP) testing data results show academic achievement. While overall growth is not being met on our national benchmarks, D89 continues to expect and achieve awesome results in growth. We have received feedback from our first-ever Behavioral and Emotional Screening System (BESS). We see a fuller picture of the CCSD 89 student body. As a group, D89 students feel secure in their social-emotional health. CCSD 89 continues to support our children academically, emotionally and socially.

ACTION ITEMS – The following Action Items were approved:

- Approval of 2022-2023 School Year Calendar
- Approval of Resolution #819-22 Accepting the Intergovernmental Agreement Between Special Education in DuPage County (SASED) and the Board of Education for CCSD 89

SUPERINTENDENT'S REPORT - Superintendent Tammaru's report included information regarding the following:

- COVID-19 Update - Thank you, thank you, to the parents who are taking the necessary precautions that allow their kids to stay safe, allow other students they come in contact with to remain healthy and allows for consistent in-person school attendance.
- Staffing plan for 2022-23 school year - It is very helpful that our parents and guardians register their children for the 2022-23 school year as soon as pre-registration opens on February 9. Having accurate student registration numbers allows the district to see the staff that is needed and to post for those positions to allow us to hire the best qualified staff.
- **FOIA** - There were three FOIA requests this month and they were fulfilled.
- Update Superintendent Committees 2021-2023
- Park View School PTC Meeting, Thursday, February 24, 2022, 7PM
- Agenda planning for Saturday, February 5, 2022, Special Board of Education Meeting, 9AM
- Agenda planning for Monday, February 28, 2022, Board of Education Regular meeting, 7PM

CLOSED SESSION - The Board entered into closed session to discuss collective negotiating matters between the District and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees as mandated by Section 2 5ILCS 120/2(c)(2) and for the semi-annual review of closed session minutes as mandated by Section 2 5ILCS 120/2(c)(21).
