

Don't Let the Pigeon Touch the iPad

But I really want to!

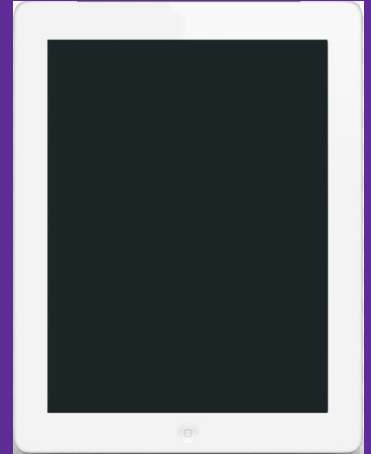

iPad Expectations
Acceptable Use Policy

What is an Acceptable Use Policy for Technology?

The rules for using technology

I can't even say
"acceptable use
policy!"

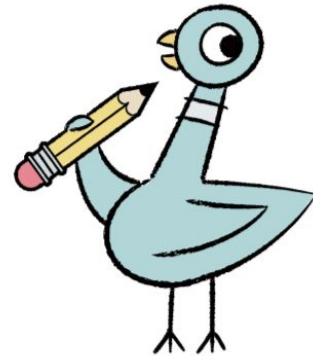

Students in kindergarten and
1st grade are using iPads
provided by District 89.

Technology is for School

Use your iPad only for school work

Listen to your teacher's directions

If my teacher tells
me to use Seesaw
can I go on
PebbleGo instead?

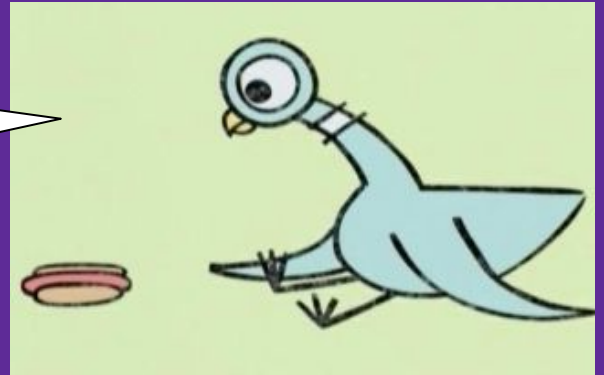

Treat technology carefully

Be careful with the iPad

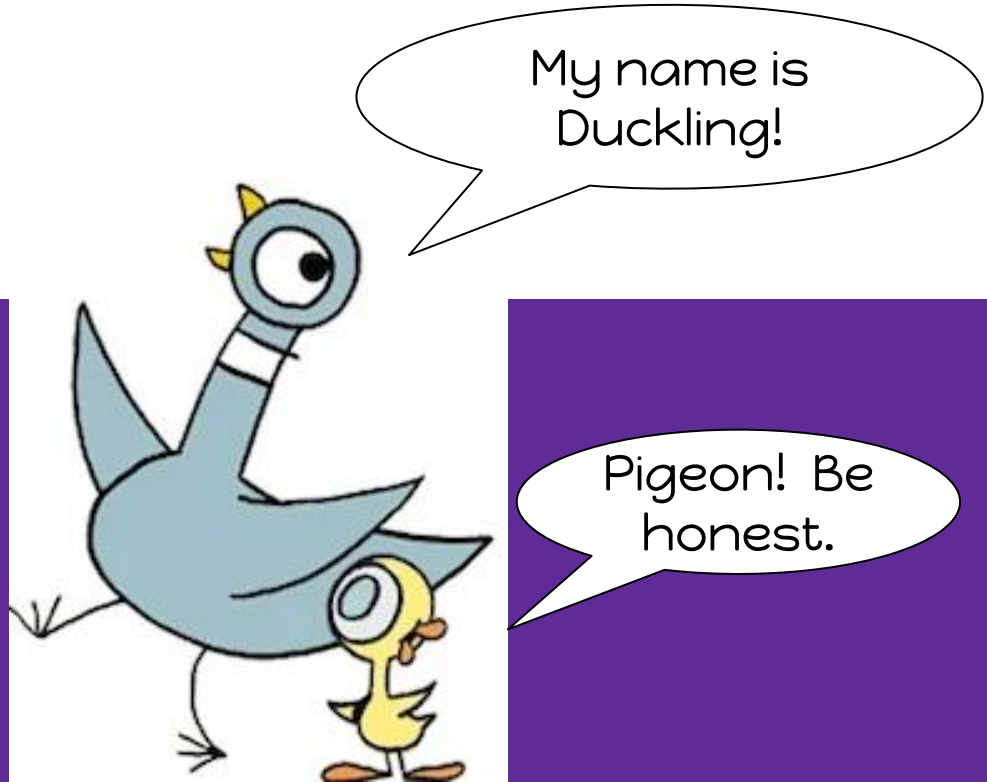

- Use 2 hands
- Clean hands
- Keep it in a safe place
- Keep it away from water and food

Can I eat a hot dog
around the iPad?

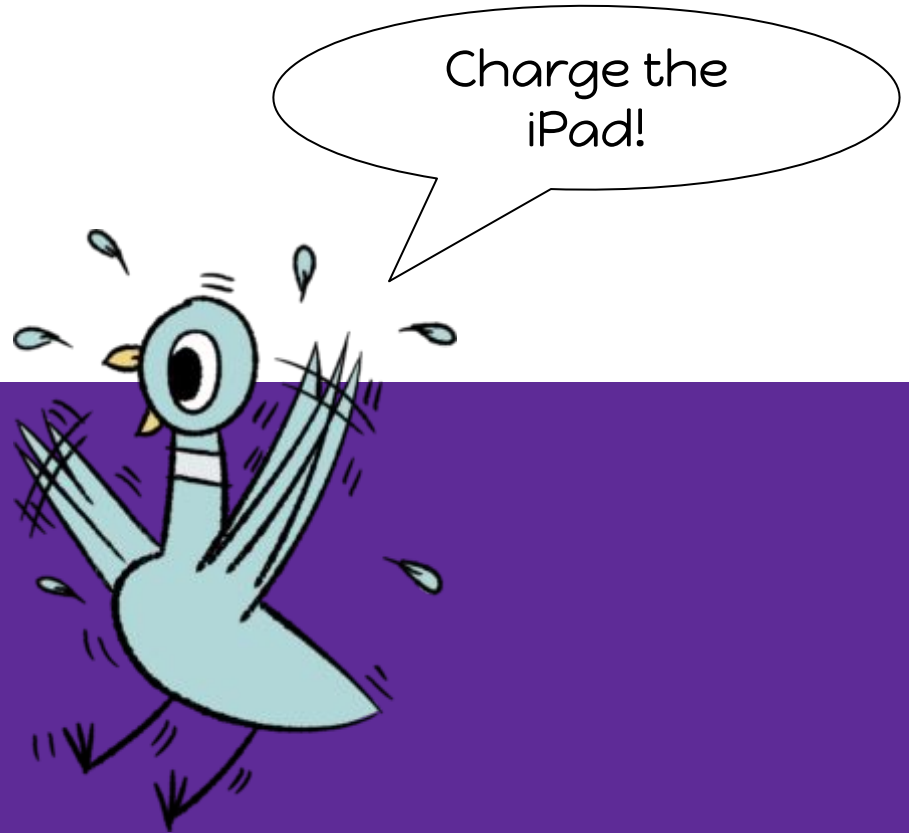

Things I will NOT do:

- Share information about myself or my family online.
- Talk to strangers online.
- Be mean to other students online.
- Tell anyone my password.
- Copy other's work.
- Use another person's name.
- Take pictures or recordings.

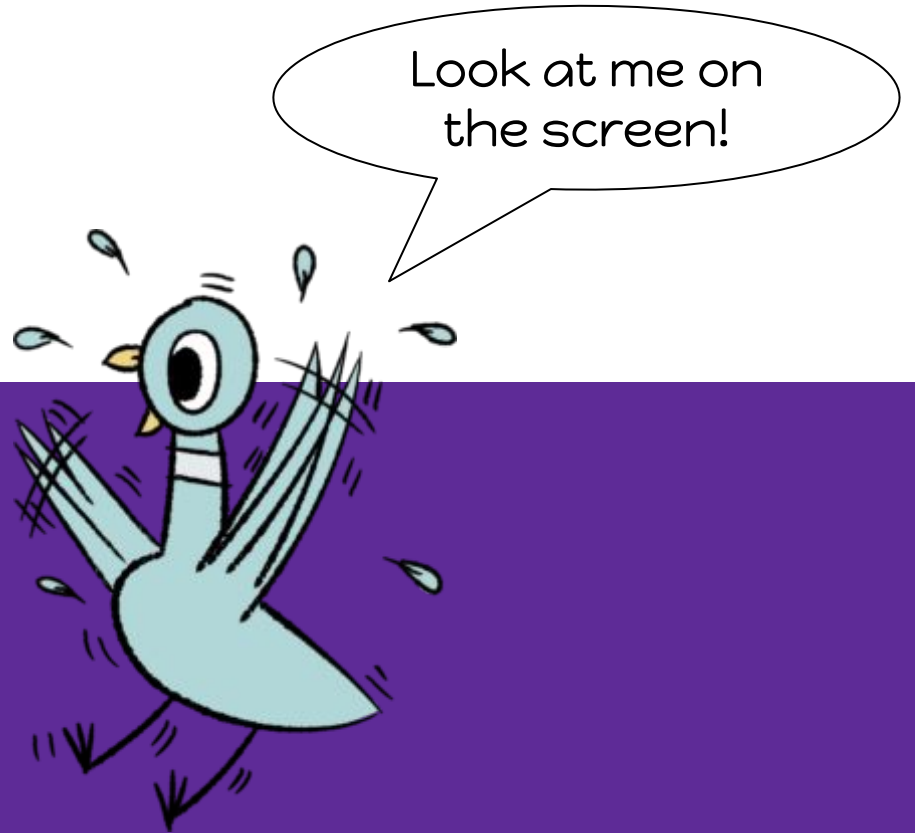

Care for iPad

- Plug it in to charge every night
- Bring it to school every day
- Keep it away from food and drinks
- Do not place heavy items on top of it

Google Meet

- Use my own first name on Meet
- Never share meeting links
- Never take pictures or recordings
