

# Your input is needed to select the next superintendent of CCSD 89

The Community Consolidated School District 89 Board of Education has begun the process of selecting the district's next superintendent. The next superintendent would begin on July 1, 2023.

The search process will include surveys and focus groups with students, families, staff, local organizations, and community members. These meetings will help identify the characteristics and attributes the community prioritizes for the next superintendent. There are opportunities for anyone in the community to participate.

The community will be updated on the search at [www.ccsd89.org/superintendentsearch](http://www.ccsd89.org/superintendentsearch) as well as through email newsletters and the district's social media channels.
