PARENTAL AUTHORIZATION FOR STUDENT'S TELECOMMUNICATION NETWORK ACCESS

IMPORTANT - PLEASE READ CAREFULLY

The District's telecommunication (voice and data) network, hereafter referred to as "network," is a valuable resource that is used consistently with the District's educational mission. The network is connected to the Internet, and thus allows students virtually unrestricted access to individuals and information from around the world. The District has implemented technology protection measures to prevent access to certain objectionable material, but cannot guarantee the effectiveness of these measures.

I have read and accept the attached Board Policy and Rules and Regulations regarding use of the District's telecommunication network. I understand that any unacceptable use of the network is grounds for suspending or revoking network privileges, and may result in discipline up to and including expulsion from school, as well as criminal or civil penalties. I realize that my student might access objectionable material through the Internet. I understand that, consistent with Regulation 6:235-R, the District may review all files, including electronic communications, that are created on, stored on, or sent to, from, or via the network.

I will indemnify the District and be liable for any losses, costs, damages, charges or fees, including, but not limited to, telephone charges, long-distance charges, per-minute surcharges, equipment or line costs, or attorney fees, caused or incurred by my child relating to, or arising out of, my child's use of the District's network or the violation of any District policy, rules, or regulations. I request that the District allow my student to access the network, and agree to hold harmless the Board of Education of CCSD 89, its individual Board Members, employees, agents, and assigns, for any harm caused to my student or to me relating to, or arising out of, my student's use of the District network or the violation of any District policy.

This Authorization will expire, and a new Authorization must be submitted, any time that my student enters into a new District school or that his or her network privileges are suspended or revoked.
