

CCSD 89 families:

As we wrap up an incredible school year, I am once again awed by our community. It seems that in every school I visit, there is a big event being planned by our families. Our buildings are filled with spring flings, dances, field days, and much more.

I want to thank all of our CCSD 89 families for their contributions throughout this amazing year. You have organized events and fundraisers, helped with homework, and kept up with your student's progress. You empower our schools and we are energized by your partnership.

There are so many wonderful opportunities for your family this summer. This community is filled with wonderful parks. We are near world-class museums and spectacular and forest preserves. The library at Westfield Elementary School is open to all our CCSD 89 families. The school will be running free programs all summer, and I encourage you to stop by.

But more than anything, I hope that you are able to spend time as a family this summer, having adventures and creating memories. Sit outside, talk about your day, and decide what excitement you will find tomorrow. Have a fun, safe, and wonderful summer.

Thank you again for a wonderful school year. We look forward to seeing you all on August 16.

Here are some important reminders and celebrations:
